CHANGES!

"I can see changes,
they happen every day.
I can see changes . . ."
From "Changes" By Loggins and Messina.

Have you noticed any changes lately? If you haven't, take another look. Dear old Western is changing. We have a new roof, new classes, new faces and the changes those new faces bring. Changes also come in the form of loss, we lose a friend, a favorite teacher leaves, or we drift away from people we've known all our lives.

Take a look inside. There are the personal changes no one else can see. A new attitude, or maybe a newer, more mature goal. An important change for many Seniors is the long awaited "18th" Birthday. Now the Beach or the shopping center are available any time.

CHANGES!

"No one else can see the changes you take yourself through."

— Stevie Wonder

Things outside our corner of the world are changing. It's impossible to miss the change in the weather. California's long standing drought ended, and several teachers wondered if they were going to be conducting classes from life rafts. Many students also considered renting waders to go out to the parking lot, or simply to get around campus.

The School Board's decision to go back to basics will also affect Westhi students. The Classes of '79 and '80 may find themselves in such classes as Economics, and working for more credits to graduate than previous classes.

Reading, writing and 'rithmatic, here we come!

As we change and want bigger and better things, money becomes a definate need. Pioneers can be found everywhere from Burger King to Judy's to Sears. As the job better so do the rewards. Cars, trucks and mopeds are favorite, if not expensive, investments. So are the stereos, rims, and tires that go with them. After all, if ya' gotta' get to school, ya' might as well do it with style!

CHANGES!

1. Ms. Campbell and Ms. Payne enjoy a chat on the way in.
2. Shhh! Future muscle man at work.
3. Ms. Mangan's personalized license plate, on her 280z.
4. Westhi students enjoying the sun at lunch.

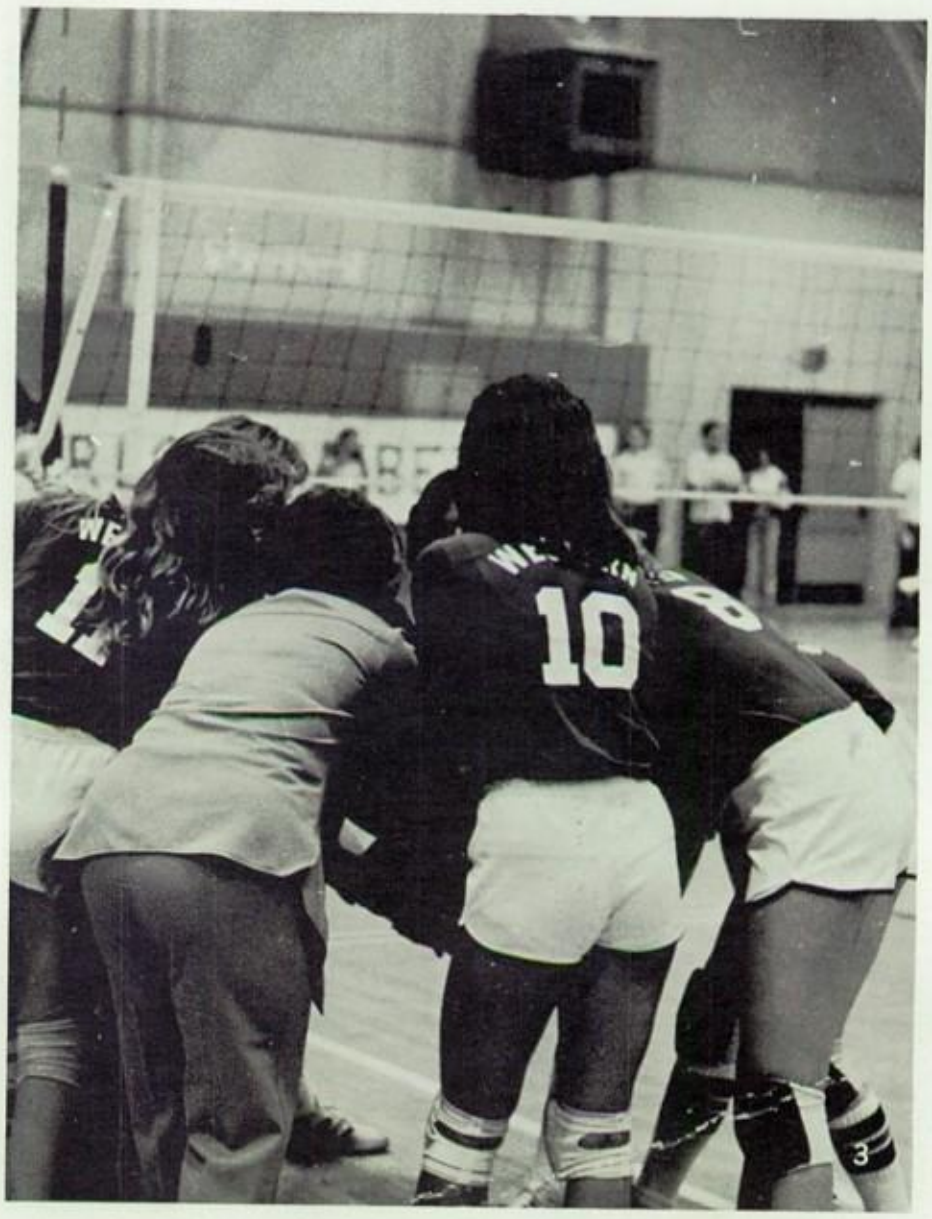
2. We always knew those Coaches were savage at heart.
3. Our ..1 Volleyball Team putting strategy and spirit together.
4. Even the wind and rain couldn't stop people from catching a breath of fresh air between classes.

CHANGES!



Everyone's Senior Year is filled with changes. Some become legal adults, and if we aren't lucky enough to hit the Magic 18, changes still take place. We're now on top, #1, the Best.

People mature to get to get ready for the change to college or life outside school. Since our Sophomore Year, Graduation has been our goal and number one thought. As it draws nearer, panic sets in. "What do I do now, it's HERE?!"

Of course, push ahead, aim for the sky, and change with the tide.

Class of '78, it's just beginning- the future ours!

Miracles keep happening,

A GRADUATES PRAYER

Father, I have knowledge,
So will You show me now
How to use it wisely
And find a way somehow
To make the world I live in
A little better place . . .
And make life with its problems
A bit easier to face —
Grant me faith and courage
And put purpose in my days —
And show me how to serve Thee
In the most effective ways
So all my education,
My knowledge and my skill,
May find their true fulfillment
As I learn to do Thy Will.
And may I ever be aware
In everything I do
That knowledge comes from learning —
And wisdom comes from You.

Helen Steiner Rice

Trails of '78

Remember the jitters the very first day?
The Seniors would tease and what could you say?
Remember the first time you asked for the car?
"Sure you can use it but don't you go far!"
The next thing that came was delivery of rings,
How could we know it was the beginning of things?
Next came the prom the peak of the year,
Then you knew becoming a Senior was near.
Remember the feeling the very first day?
You'd tease the sophomores and what could they say?
Entering the assemblies through the Senior Door,
Sophomores and Juniors kissing the gym floor.
Flashing around our Senior Buttons,
Making the sophomores feel like nuttins.
Remember the trails we've left them to take,
Someday their own they'll be able to make.
Cherish these memories and someday you'll see,
We're PIONEERS at heart and in mind we'll always be.

If you're scared of ghosts, goblins and the things that go bump in the night, then stay away from Western on All Hallows Eve. However, Raggedy Ann and Andy would never scare anyone. This year's costume contest was enjoyed by all. To prove they weren't afraid of the ghosties, Carole Simpson competed as Raggedy Andy with Kris Baker as Raggedy Ann.

Taking a United States History class is one of the many trials of being a junior. Everything from Columbus to Jimmy Carter must be learned. Here, junior Robert Mann shows his undying enthusiasm for his studies.

Crafts classes caught the fancies of many juniors. In the class, students had the opportunity to do many things. Julie Wesseln (1) and Linda Stark (3) got involved in macrame; Janet Ross (2) worked on an embroidery. In addition to stitchery and knot tying, crafts students were doing origami, three dimensional design and jewelry.

They proved to be just as enthusiastic as the other classes at Western High.

STUDENT LIFE

SPIRIT WEEK!

Almost Anything Goes seems to explain just how the Pioneer's Spirit Week turned out. The spirit was overwhelming and the contest turned out to be very successful! These events were held daily down by the math rooms, some of the contests were very unpredictable and funny to observe. They included slip and slide, ameoba race, tug o war (with a string!) and many more. The winner of the club that recieved the most points at the end of the week won a $15 prize. The winner was GIS. It was good to see all the spirited students get involved. Vince Sanchez kept the crowds attention as he was the announcer for the events, thanks Vince, ya did a great job!

Sr. Leader: Fran Murray

The Silhouettes of Western High School were busy in numerous competitions throughout the year. Highlighting their year were their performances at the Band and Drill Team Spectacular, The Santa Monica Band Review, and The State Drill Team competition held in San Francisco.

Also they participated in parades, Disneyland, Fairview State Hospital, and Westerns pep assemblies and coronation. They work hard striving for perfection, doing what they do best. Their long hours of endless practice paid off when they performed their precision routines.The Leaders were Debi Jones, Fran Murray and Maria Elena Soto. The Advisor was Ms. Jan Cook.

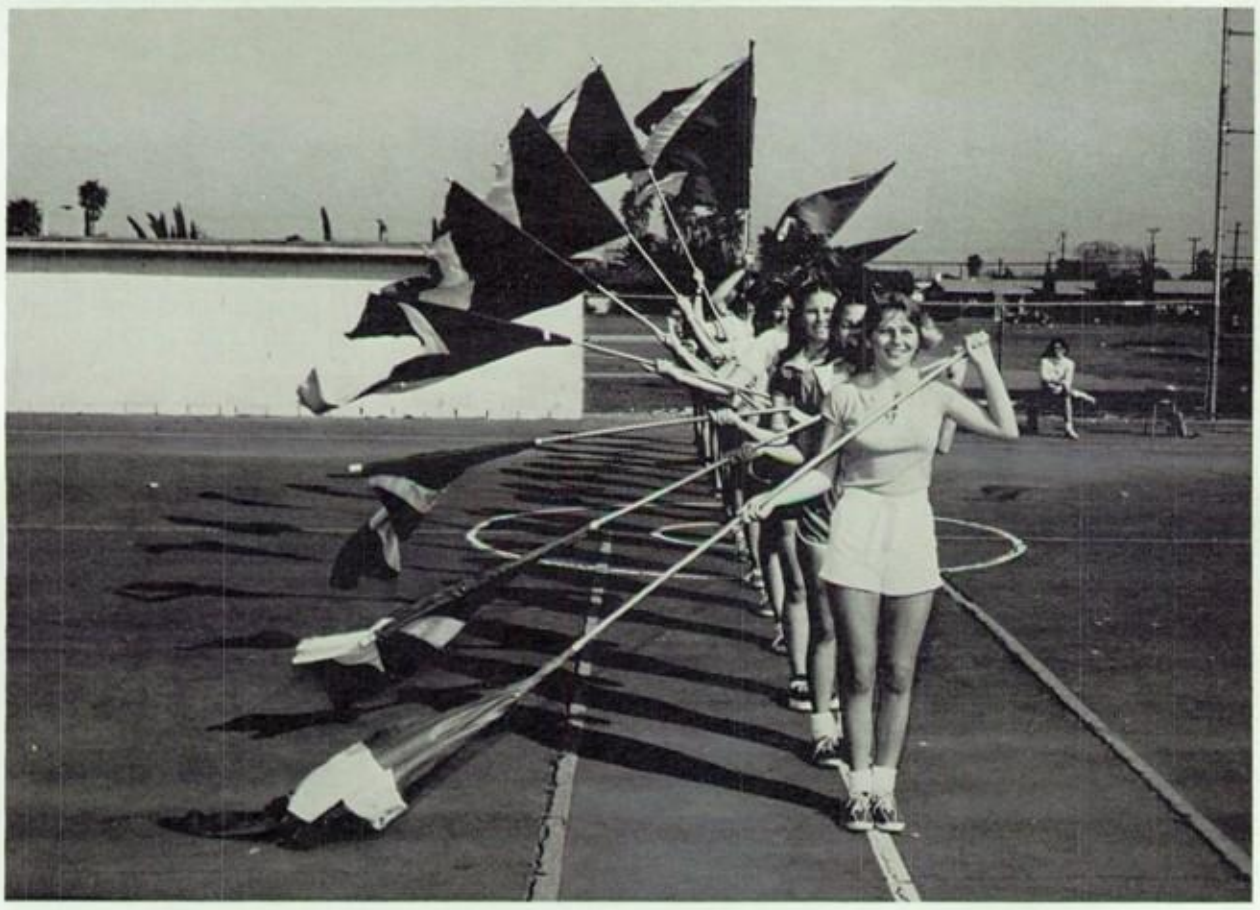
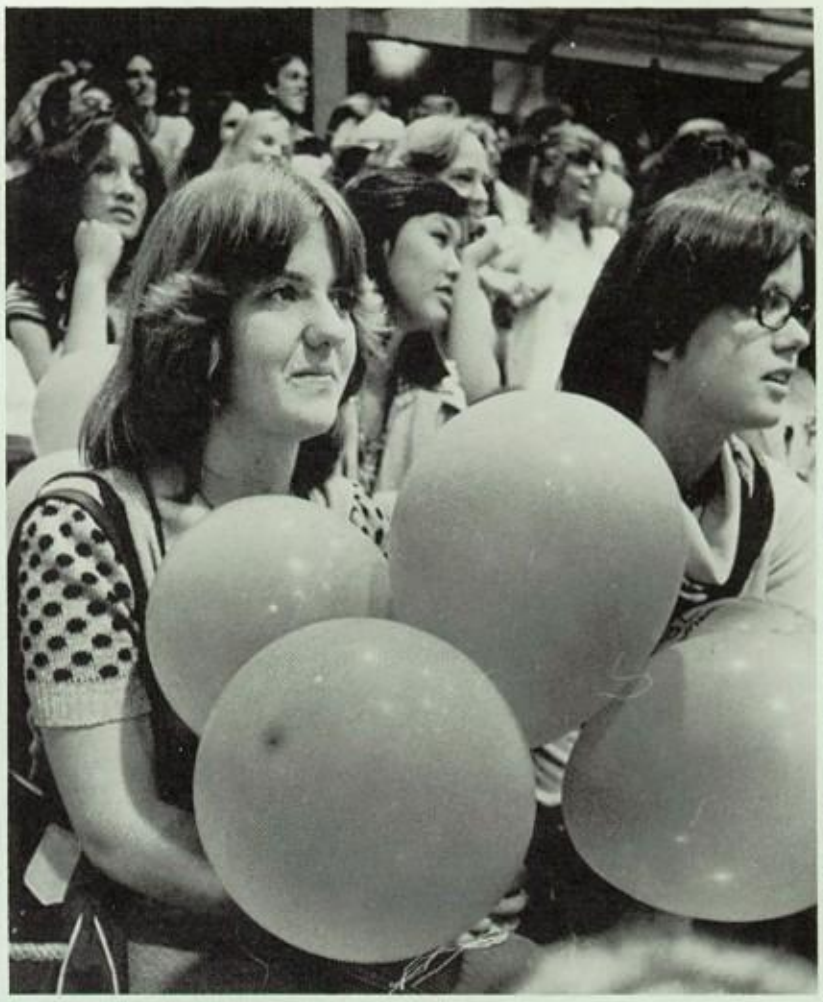
The 77-78 Tall Flags had a very successful year. They started off by conducting a learning camp at Western for the entire district. Practices were held during the summer and after school to prepare them for the home half-time performances and competitions. In all the five competitions they entered they recieved 1st place. They also competed in the Santa Monica Band Review and performed at Disneyland for the Christmas Parade. In Festival competitions without the band they recieved 1st place, three 2nd places, and a third place. Many long hard hours went in to these practices, but overall it proved to be worth it.



The many hours of hard practice pay off in the end!



This sign, familiar to Western students, marked the beginning of the 1977-78 school year. To some, this was sad, but, for others it was exciting. For the sophomores, it was a time to adjust to new surroundings and learn all of Western traditions. The juniors worked hard, reflected on last year and looked forward to their senior year. But, for the seniors, it was a time of mixed emotions. They had only 10 months left of school, yet they would be leaving everything they knew for unknown places. All in all, it marked the end of another summer and the beginning of hard work, yet, good times.

Majorette-Kathy Kimball

This year's Pioneer Band marched on in their winning ways under the leadership of new director Paul Leonhart and Drum Major Gayle Wonacott, Hard practices after school paid off well. Their fantastic performances thrilled Western students at half-time shows an assemblies. These performances continued into competitions such as the Los Altos Half-Time Competition, where they finished in first place.

Western's Tall Flags also added to the excitement of activities. Lead by Head Leader Teri Mahler an her assistant, Shelly Brown, they dazzled students with their red, white and blue twirling flags. At Los Altos, they, also, took first place, and they returned two nights later to capture it again. Combined, the Western Band and Tall Flags have given Western High much to be proud of.

The 1977-78 Yearbook Staff was a hard-working one. Striving to meet an April deadline, which meant June delivery to Western students, their frantic work began immediately. Pictures had to be taken, lay-outs drawn up and copy written, all in a short amount of time. But, with the superb direction of Editor Leslie Delli-Venneri and her assistants, Mary LaMorte and Lynell Roberts, everyone managed fantastically. The Yearbook Staff thanks them. Advisor for the staff this year was Doug Phelps.

This year, the Pioneer magazine, printed by the Advanced Printing students, offered a variety of stories, including school-oriented news and features. These entertained, informed and expanded the cultural knowledge of students. The staff, lead by Editor David Rompf and Assistant Editor Pat Ford, competed in several writing competitions. Of course, all work and no play isn't good, so they made the year enjoyable by spending three days in Idyllwild and going on a winter skiing trip.

A Capella Choir was one of the most active organizations on campus. In addition to their concerts, they were involved in swap meets and other fund raisers. During December, the choir gave concerts nightly, and they helped spread the spirit of the season.

A Capella is under the direction of Mr. Alex Encheff and choir president, Theresa Padilla. The organization has truly achieved the Pioneer tradition of excellence.

Top to Bottom, L to R-Brenda King accompanies the Choir.

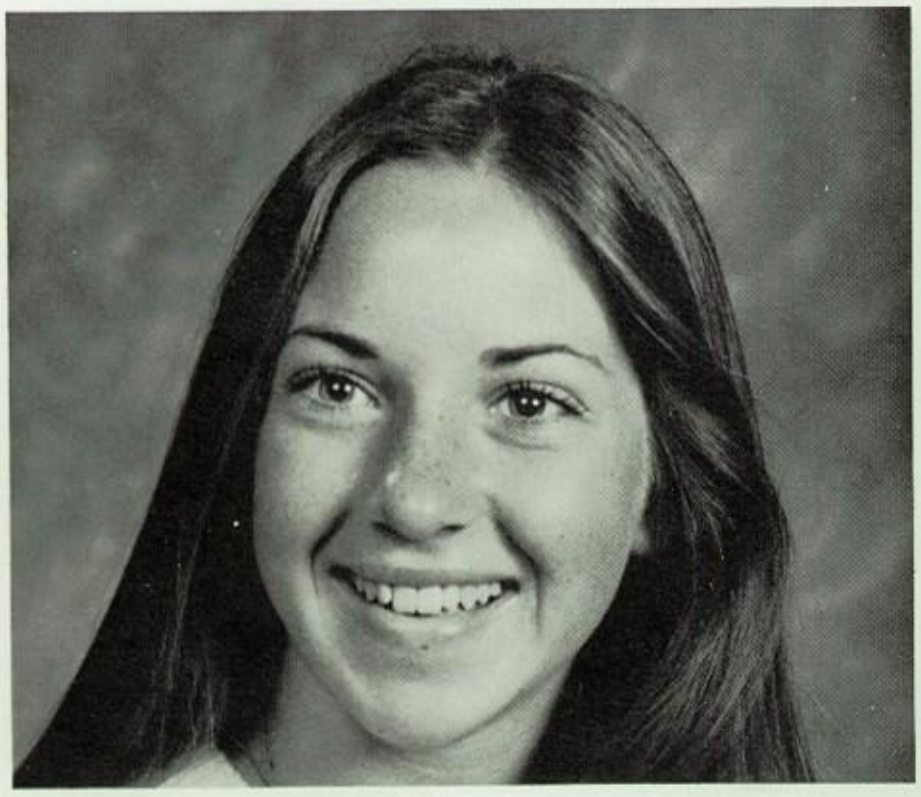
THE MAGIC OF CHRISTMAS



Shari Christensen, 1977 Christmas Queen.

Senior Attendant: Dena Collins

Anaheim Convention Center was the center of excitement as Girls League put on "The Magic of Christmas." The band "Flax" filled the atmosphere with magical music. Shari Christensen was crowned the 1977 Christmas Formal Queen. Dena Collins was senior attendant along with junior attendant Tammy Morena; Carol Christensen sophomore attendant. The night turned out to be a memorable and magical evening.

Leadership, for the second year, has done it's part in making Western a better place to go to school. The members, besides reporting to their assigned classes in order to find student opinion on various school functions, plan activities in addition to those planned by the Cabinet. This year, a Happy New Year Dance, a Dance Marathon, Sadie Hawkin's Slave Day and a Human Checker game were among the activities Leadership has sponsored.

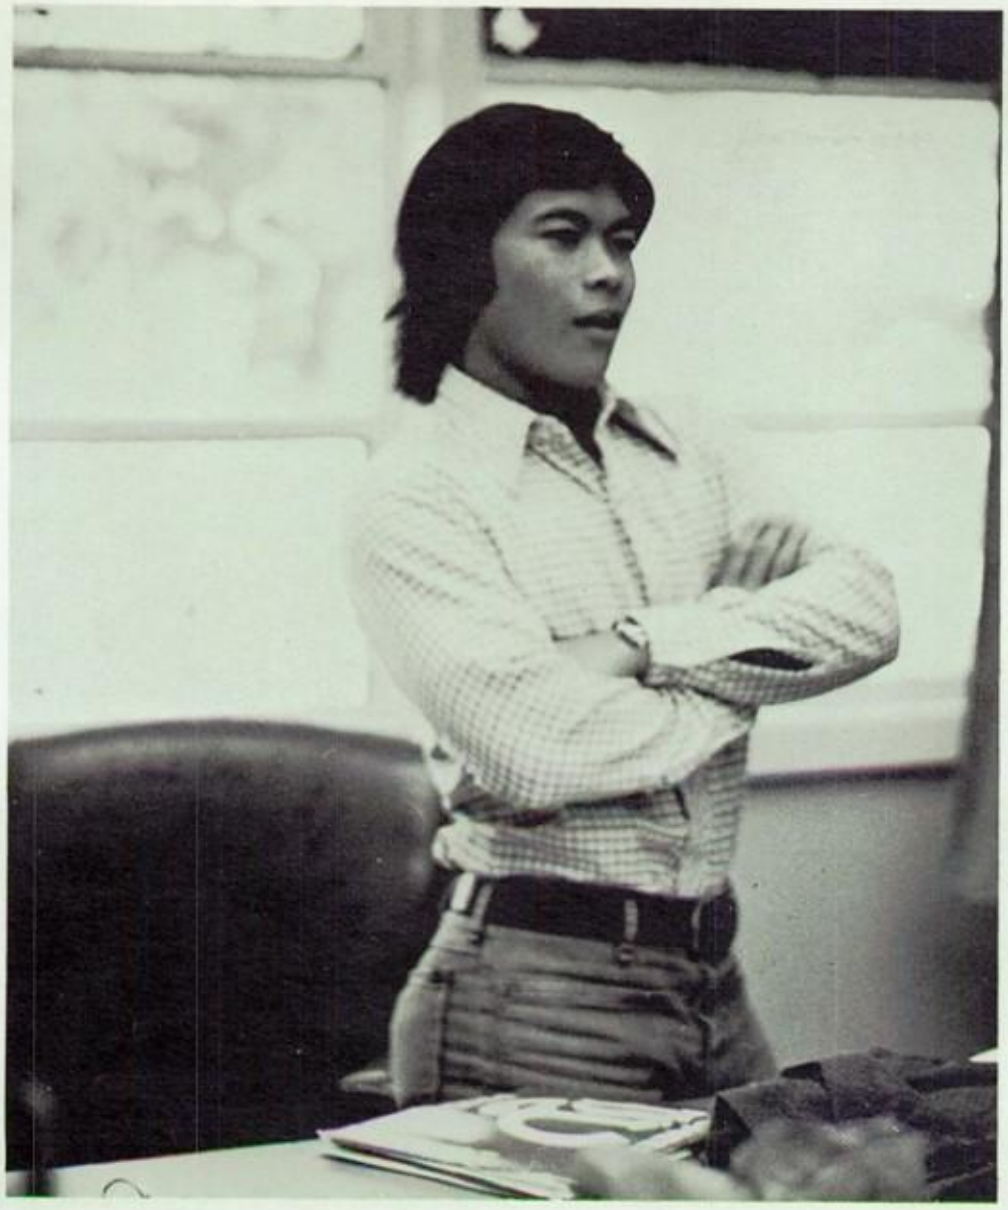
OFFICERS

Oh my God!



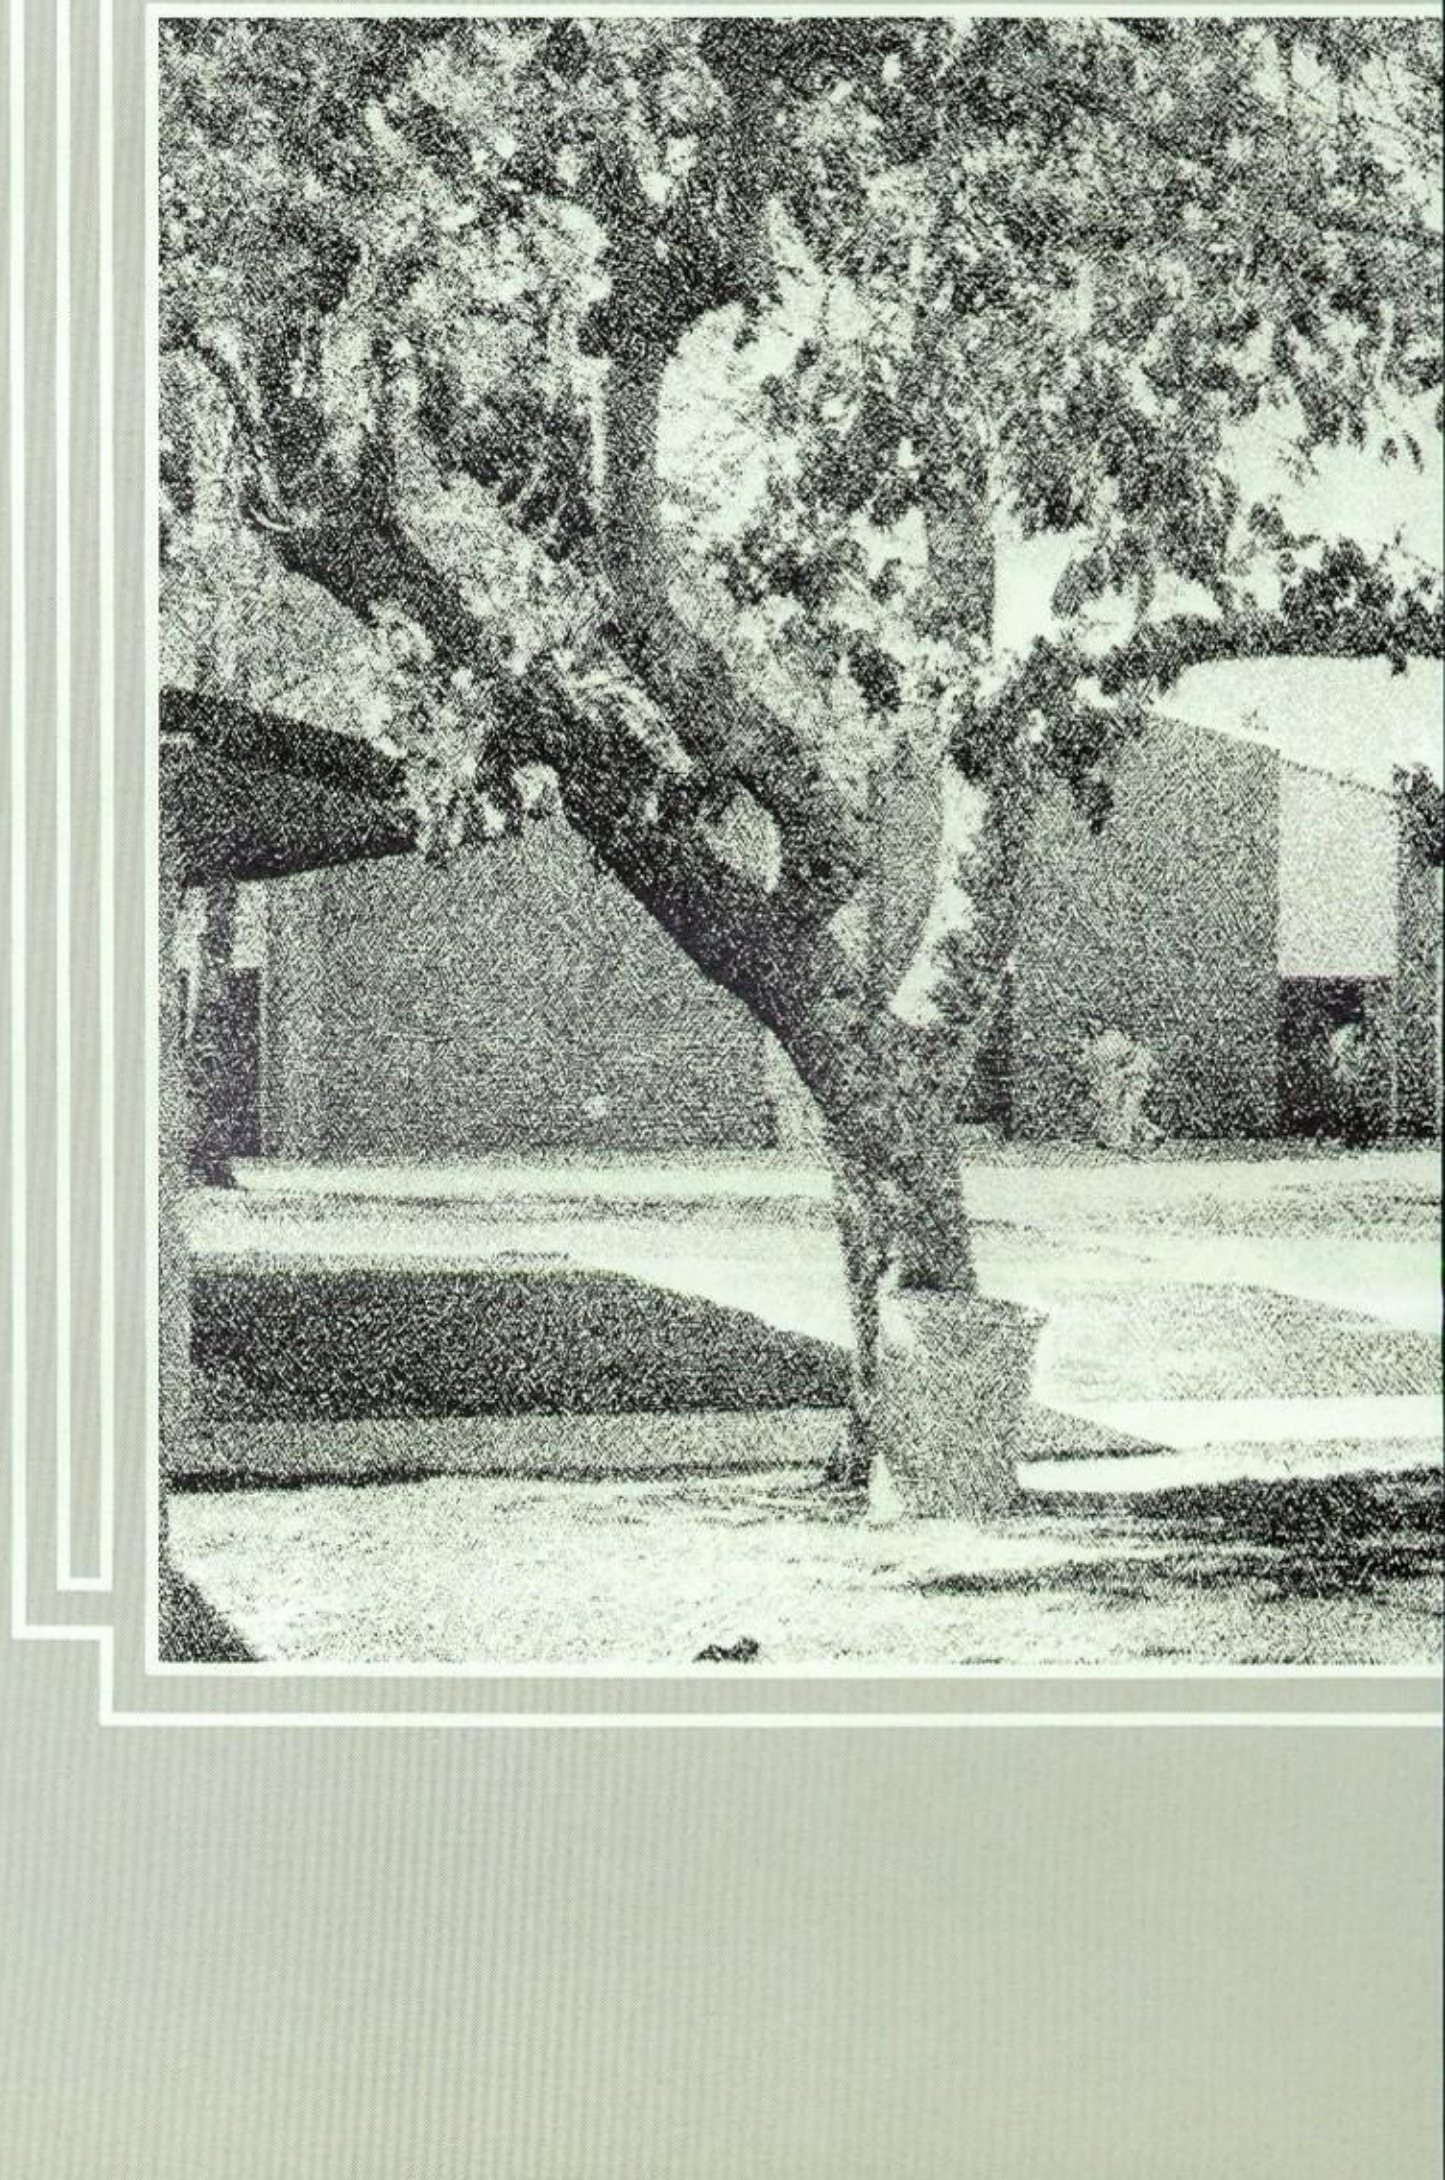
Hey Fella.

What're you looking at?

Out to lunch.

The ASB Officers helped make the 1977-78 school year a smooth running one. By having activities such as Spirit Week and the Sadie Hawkins Dance, the year was more exciting for everyone.

This year's ASB Council consisted of ASB President Kevin Cadabona, Vice-President Diane Tinkham, Secretary Patty Timcho, Treasurer Wendy Gillet, Senior Class President Tess Roxas, Junior Class President Cindy Arrington, Sophomore Class President Becky Boyles, ICC President Sharyl Meyer, and the five commissioners: Pep-Glenda Wilkinson, Activities-Anita Mansker, Assemblies-Crystal Scott, Welfare-Shari Christensen and Publicity-Jackie Frost. All of these officers did a fine job of keeping the student body informed.



CLUBS

SAC: The Student Advisory Council was a very active club on campus. This year their advisor was Mr. Horton, our principal. The members of the club tried to relate to the Administration, their activities and wants of the student body and in turn the Administration, can work through the SAC members to the student body. The Student Advisory Council has worked with the Administration to bring about the Health Food Line in the cafeteria and ways to prevent on-campus vandalism.

The football partners helped with bringing the players water and helping out at the sidelines. The baseball partners helped with scorekeeping, concessions and the hit-a-thon.

Inter Club Council is composed of the Presidents and Vice Presidents of each club on campus. This is where the clubs communicate and work out activities for the school & clubs themselves.

ICC was very active this year. At the beginning of the year they had a Club Day, where each club had representatives to try and recruit people for their club. During Spirit Week they had an Almost Anything Goes Contest between the clubs. They also had an Ugly Picture Contest during the year.

MATH CLUB

Life has its ups and downs, especially on a biorhythm chart. Many students who wanted to know when it was safe to go out on a date, etc. purchased their biorhythms from members of this year's Math Club.

President Shawn Johnson, under the supervision of Mr. Bennett and Mr. Glascock, led the members. Other officers were Vice-President David Jew, Secretary Kent Banno and Treasurer Jim Moseman.

SCIENCE CLUB

Science Club was one of the many clubs that Western had on its campus this year. President of the club Geoff Sprague kept everything in order during the year. Advisor for Science Club is Mr. Stanfield.

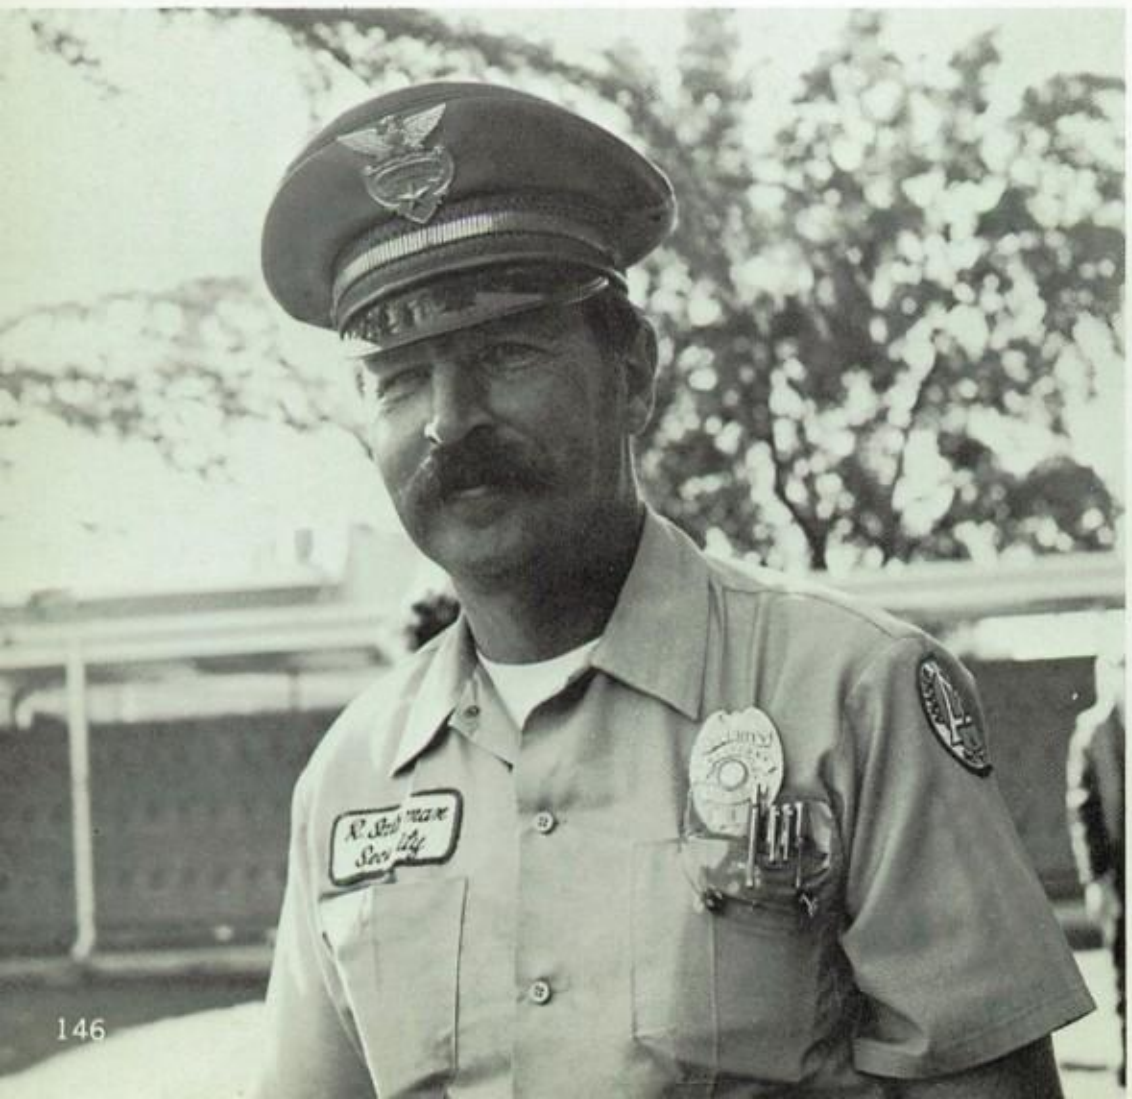
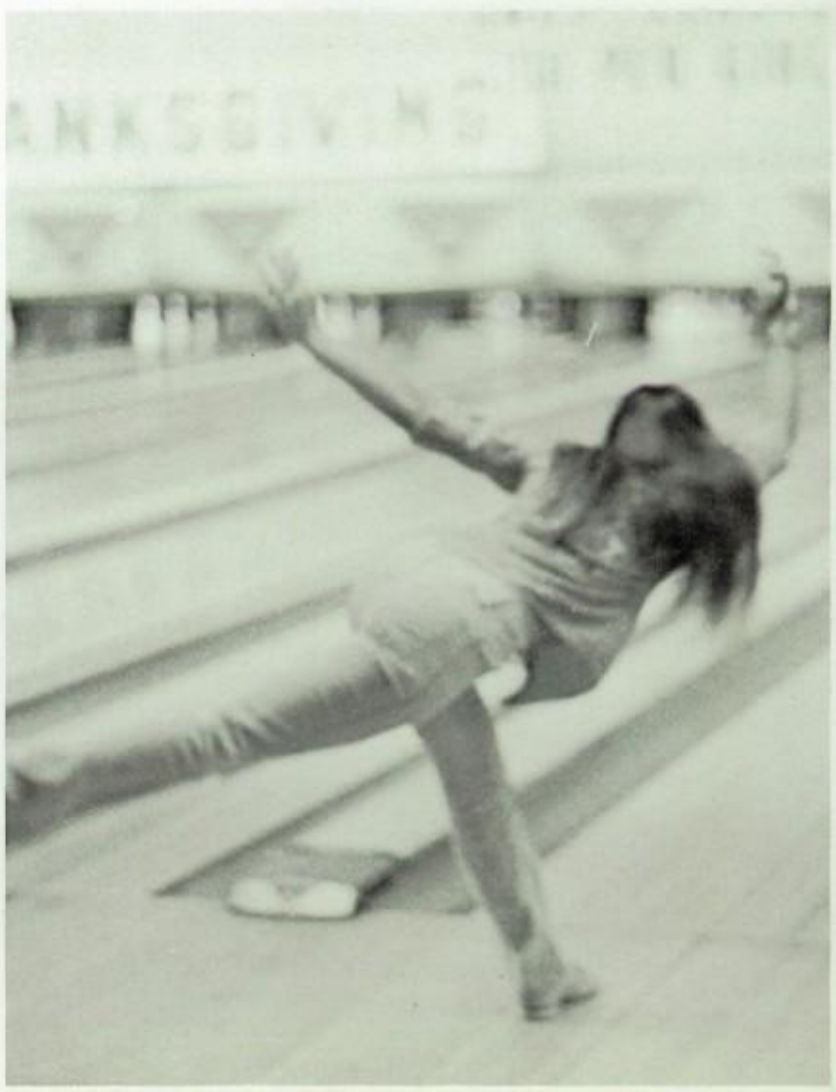
Vice President Mike Sanchez, Secretary Marie Gilbert and Sargeant of Arms Steve Dunn were the Bowling Club's other officers.





CERAMICS

If you were interested in creating something artsy with your hands, where would you go? You would join the Ceramics Club, of course. This club was created with artistic people in mind. The advisor for Ceramics Club is Mr. Jensen.

Character, Leadership, Scholarship and Service are the four qualities all NHS members must have. Having all four of these qualities plus recommendations from teachers, this year's NHS members were inducted into the club in March of 1977.

One of the money-making projects for this year's club, as in the past, was the selling of colorful blue balloons at this year's Homecoming game.

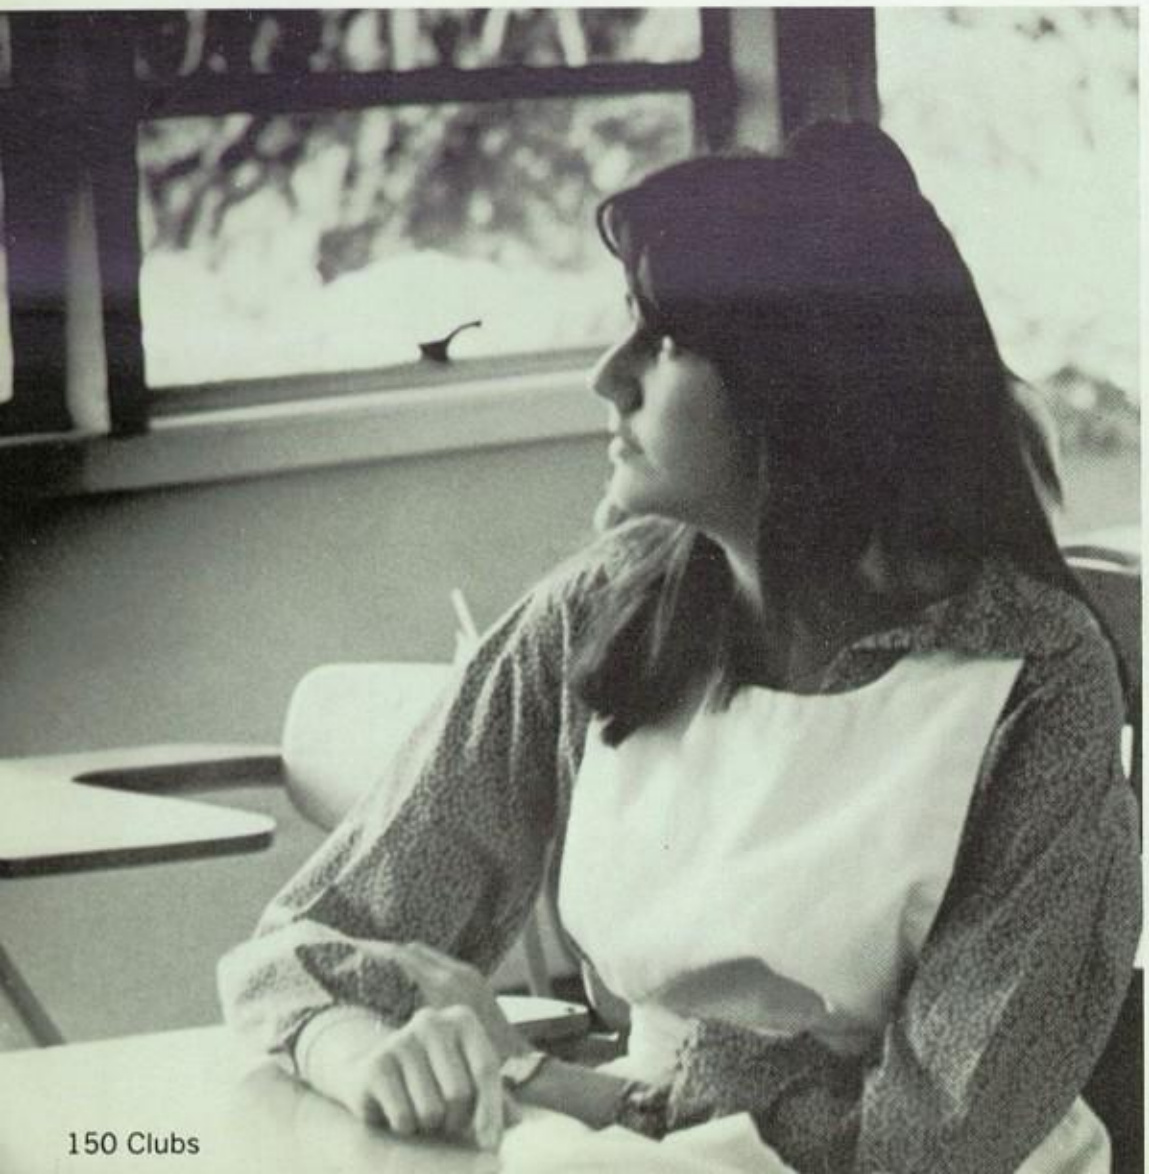
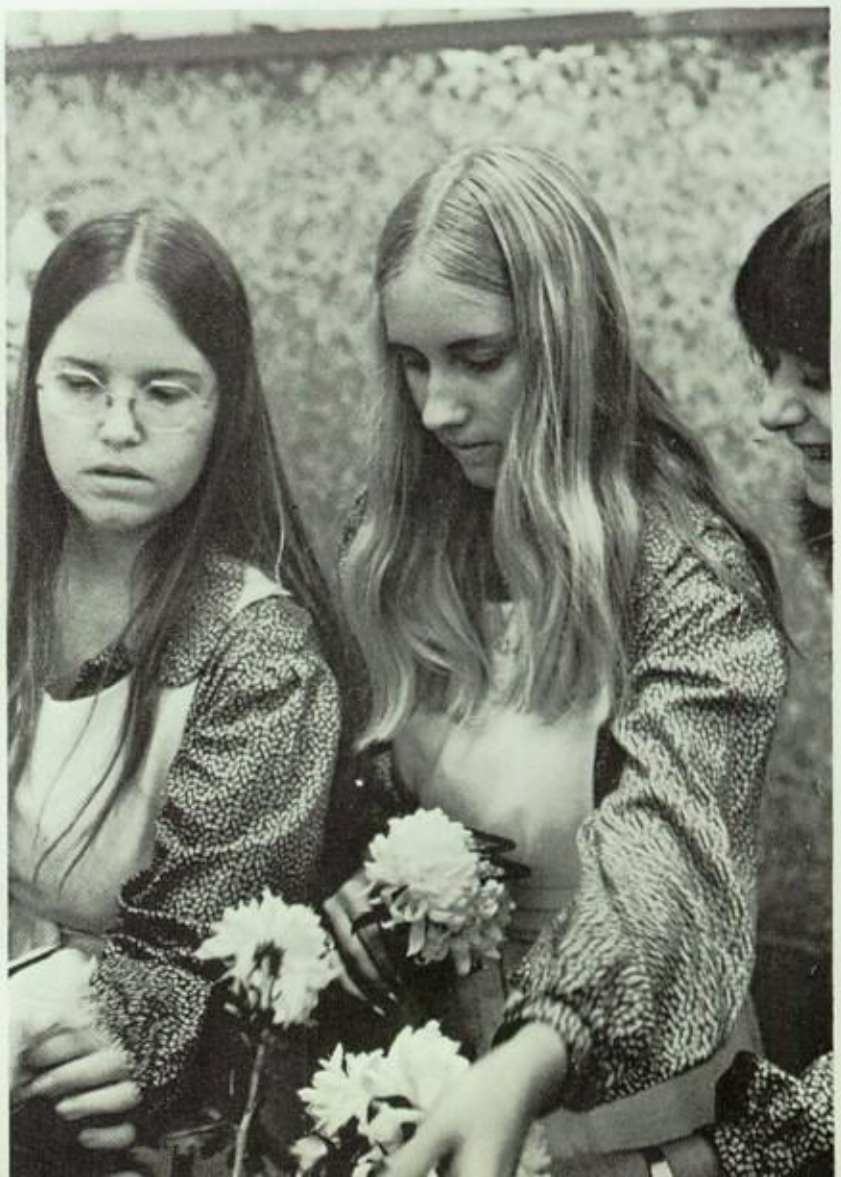
Girls' League has always been one of the most active clubs on Western's campus. Girls' League President Donnell Holmes, along with the other officer's, saw to it that the many traditions Girls' League has given us were maintained throughout the year.

One of the great traditions is the selling of mums at Homecoming. These, along with Valentine carnations and Easter bunnies, were great fund raisers.

One of the most important things the Girls League Board does is plan the Christmas Formal. This year's dance was a great success.

The other officers for the year were: Vice-President - Teresa Alarcon, Secretary - Arlene Franks, and Treasurer - Janet Vankarvaly. Mrs. Nystrom is the advisor.





KEY CLUB

Key Club was a very active club this year. The members were involved in many service projects.

Before Christmas vacation, the club held a canned-food drive. The contestants were all of the second period classes. The classes of Ms. Bertotti and Mr. Bennett were the winners. Their prize was an ice cream party.

Another of Key Club's projects was the collecting of old pairs of eye glasses. This year the members were under the direction of Mr. Kough.

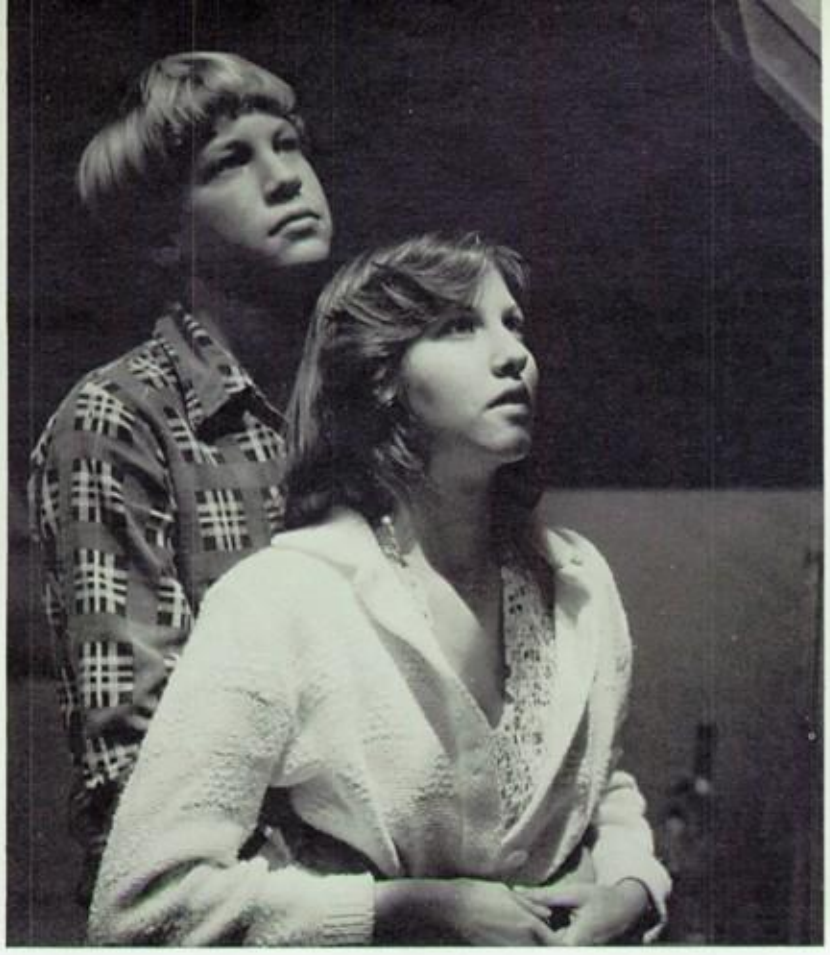
Renamed the Pioneer Players, members showed their talents in various ways. Early in the year, a Talent Show was put on. This was when everyone got into the act, including a few members of Western's faculty and administration.

During the month of January, the Pioneer Players staged the dramatic play, Anne Frank. The show was a great success both financially and talent - wise. Other performances were put on during the course of the year.

PLAYERS



"The Diary of Anne Frank"
This was the big play of the year for the Pioneer Players. There were two casts, of which performed two nights. Since there were two casts, this allowed more people to become involved in the play. The play was a big success at Western, and was sold out for many performances. Thanks to the Pioneer Players, we at Western, once again have a drama department which entertains us and enriches us more than our usual Friday night football game.

Many of us didn't even recognize our friends, due to the fantastic make-up job done by the Pioneer Players.

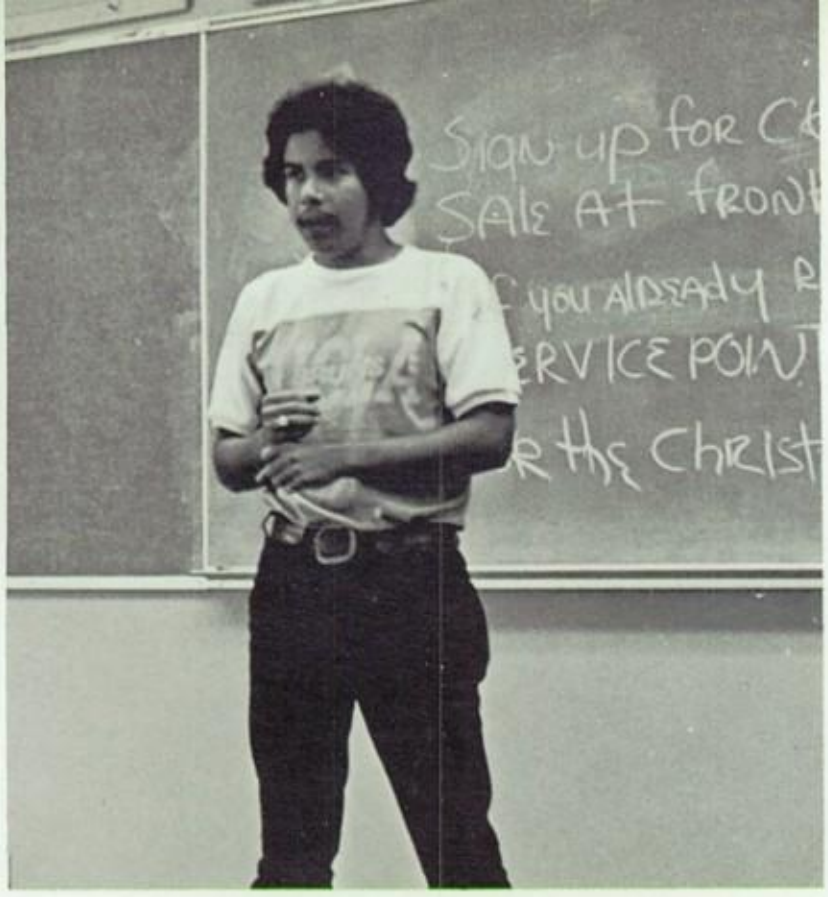
The AFS club helped make the lives of foreign exchange students a little more exciting. Taking students to such places as Magic Mountain was one of the ways.

To raise money for the treasury, members sold See's suckers and worked in the concession stands at home football games. AFS Bonds were also sold.

The highlight of the year was International Day, February 22. Foreign students from all over this area came to Western. They talked to students here and told us about the way of life in their countries.

Leading the club members were President: Janice Kadowaki, Vice-President: Dorothy Kishaba, Secretary: Sandy Masuda, and Treasurer: Beverly Jamison. Mr. Murphy is the club's advisor.



CSF

Striving to obtain gold seals on their diplomas, members of CSF worked on many projects throughout the year.

At Christmas time, members earned one of the service points required for gold seals by selling Christmas trees. Other service projects included tutoring students of all ages.

Guided by Miss Cook, CSF officers were President: Gonzalo Vasquez, Vice-President: Jim Everett, Secretary: Monique Fiola, and Treasurer: Cheryl Meyer.

SPORTS

PIONEERS WORKED HARD BUT HAD FEW VICTORIES

Western's Varsity Football Team started strongly by defeating two straight pre-season opponents. The Cypress Centurians fell to the Pioneers in the season opener 24-14, followed by a narrow win over the Empire League champion Loara Saxons 7-6.

The blue and white Pioneers found the Freeway League extremely competitive in 1977 and were unable to notch a league victory. So rugged was the league that an unprecedented four teams were chosen for post season play-off berths.

Blue offensive efforts were powered by seniors Lorne Debaun, Dave Golden, Jeff Weiland and Marc Tornberg. Quarterback Jim Everett fired his passes to capable receivers Glen Erwin and Tony DeDomenico. Junior Van Taylor was the leading ball carrier. Defensively, the Pioneers relied on the tackling of Ken Cregar, Evan Edelman, Jim Gage, Rod Locke and Lenny Edelman.

Strong performances from Bill Thomas, Mark O'Mally, Bruce Lyle and Robert Young also aided the Pioneer cause.

Hopes will rise again in 1978 for the home team as 14 letterman return to form the nucleus of the squad. Returning Pioneers include Evan Edelman, Scott Hunter, Bob Evans, Kent Sundman, Mario Kohler, Van Taylor, John McCann, Mark Cadero and Tom Hutchinson.

Sophomore quarterback Kyle Little, while being rushed, gets ready to pass.

Sophomore Brian Kilpatrick gets set at the defensive noseguard position, ready for the play.

Sophomore tackle, Steve Gage (78) defends his zone while the quarterback hands off to the halfback.

Throughout the season, this year's Sophomore team showed much poise and skill as they went through a long, disappointing season.

The Sophomore team saw three of their most skilled sophomores picked up to perform among the juniors and seniors on the Varsity team. All three would have filled very important positions on the Sophomore team.

Coaches Condon and Sandwol coached a very inexperienced but hardworking team. Through the season they developed a strong defense, but they never did become an offensive power. Although the team was not the best ever, we're still proud of the spirit and effort they displayed.

C.C. TRUCKIN' ON . . .

This year's Cross-Country season started with only two returning runners from the 1976-77 season and no coach.

Mr. Orloff, head soccer coach at Western, filled the coaching position that was left vacant. He also brought with him enough soccer players to fill out a Varsity and Junior-Varsity Cross Country team.

Captain Dean Aptebeke, a junior, and sophomores Ken Kunzler and George Multinado led the team.

Western was led in the Freeway League finals by Ken Kunzler. At the sophomore level, he placed third and advanced to the CIF Prelims. Dean Aptebeke placed high at the Junior-Varsity level.

Back Row (L. to R.): Don Lawson, Pat Hennessy, Victor Ramirez, Manuel Jiminez, Dean Aptebeke. Front Row: Sal Molina, George Multinado, Benji Santa Maria, Pat Ford.

VOLLEYBALL GOES TO C.I.F.

VARSITY-A. Quintana, L. Evans, D. Tinkham, F. Oliver, M. Geese, BOTTOM ROW-L. Fiola, P. Audette, S. Masuda, P. Brown

Ms. Owline Gregory coached a very high-spirited and skillful volleyball team to a very successful season.

The girls started the season with six returning starters and a desire to better their second place finish of last year.

Through practice and dedication, the team finished in first place in the Freeway League with a 13-1 league record and an 18-2 season record. First place in the Freeway League took them into the CIF playoffs where they lost in the second round. A fourth place ranking in the 3A division was achieved by winning second place in the very tough Milikan H.S. 4A tournament. Sandy Masuda was selected by the tournament committee as the all-tournament player.

The team has been further honored by having five players chosen for the Freeway League-All League team. Chosen for the first team of the all-league team were Felicia Oliver - Senior, Margie Gesse - Senior and Diane Tinkham - Senior. For the second team, Sandy Masuda - Senior and Liz Evans - Junior were chosen.

Every year, the Freeway League selects one volleyball player as the Most Outstanding Player in the league. This year's selection was Felicia Oliver.

This year's Team Captain and Most Valuable Player was Felicia Oliver. Most Improved was Pat Audette and Sandy Masuda was Most Inspirational. Team Managers were Nona Naglehout and Linda Lediaev.

Congratulations to a great Pioneer team.

NEW COACH LEADS AN IMPROVING JV TEAM

Coach Sue Fornier, in her first year as Western's J.V. coach lead her team to a 5-9 record to win sixth place in the freeway league.

Beginning the season with only three returning players, the team showed great improvement with each match.

The most valuable player was Patty Lanphar, and the most improved player of the season went to Shelly Aros.

LACKING IN SIZE BUT NOT IN HEART

The Varsity record was 1-19 despite the hard work; however, the team did not give up. Although the record was not impressive, a new foundation was laid by coach Herb Linsey. Coach Linsey, one of the most respected and knowledgable coaches in the state, has changed an attitude in the dying Western High School basketball program. The Pioneers, with only captain Bill Thomas returning from last year, were a feared and respected team despite dropping their last 13 games. No team took Western lightly in league play; ask any of the freeway coaches. Ed Barraza and Ken Baum led the Pioneer scoring most of the year. Furthermore, these team members also contributed to the cause: Bill Thomas, Eric Sorensen, Mark O'Malley, Brent Evans, and this year's most improved Junior-Kent Sundman. Additionally, Ed Barraza was named on the Freeway League Honorable Mention list.

OUTSTANDING SEASON FOR J.V. BASKETBALL

Outstanding season for J.V. Basketball; team pic. Left to right: Brian Everett, Jeff Thomas, Bobby Evans, Kevin Lazette, Mike Bruce, Rusty Rauls, Henry Miyake, Craig Dexter, Marty Walker.

This years Junior Varsity has had a fine season. The Pioneers finished second place in the Freeway League, and they had a 10-4 league record. Their season record was 13 and 8. The highlights of the preseason included a 14 point victory over Loara and playing in the finals of the Santa Ana tournament.

The well conditioned Pioneers closed the league winning 8 of the last 9 games. The J.V.'s were led by the muscles of leading scorer and rebounder, Mike Bruce; Captain Brian Everett provided the most assists and was the top Field Goal Shooter; Jeff Thomas was the team's defensive standout. Additionally, captain Henry Miyake provided leadership and rounded out the team. Others contributing greatly to the team were: Kevin Lazette, starting forward; Bob Evans, leading free throw shooter and rebounder; and the most improved J.V.- Rusty Rauls; Guards-Craig Dexter and Marty Walker.

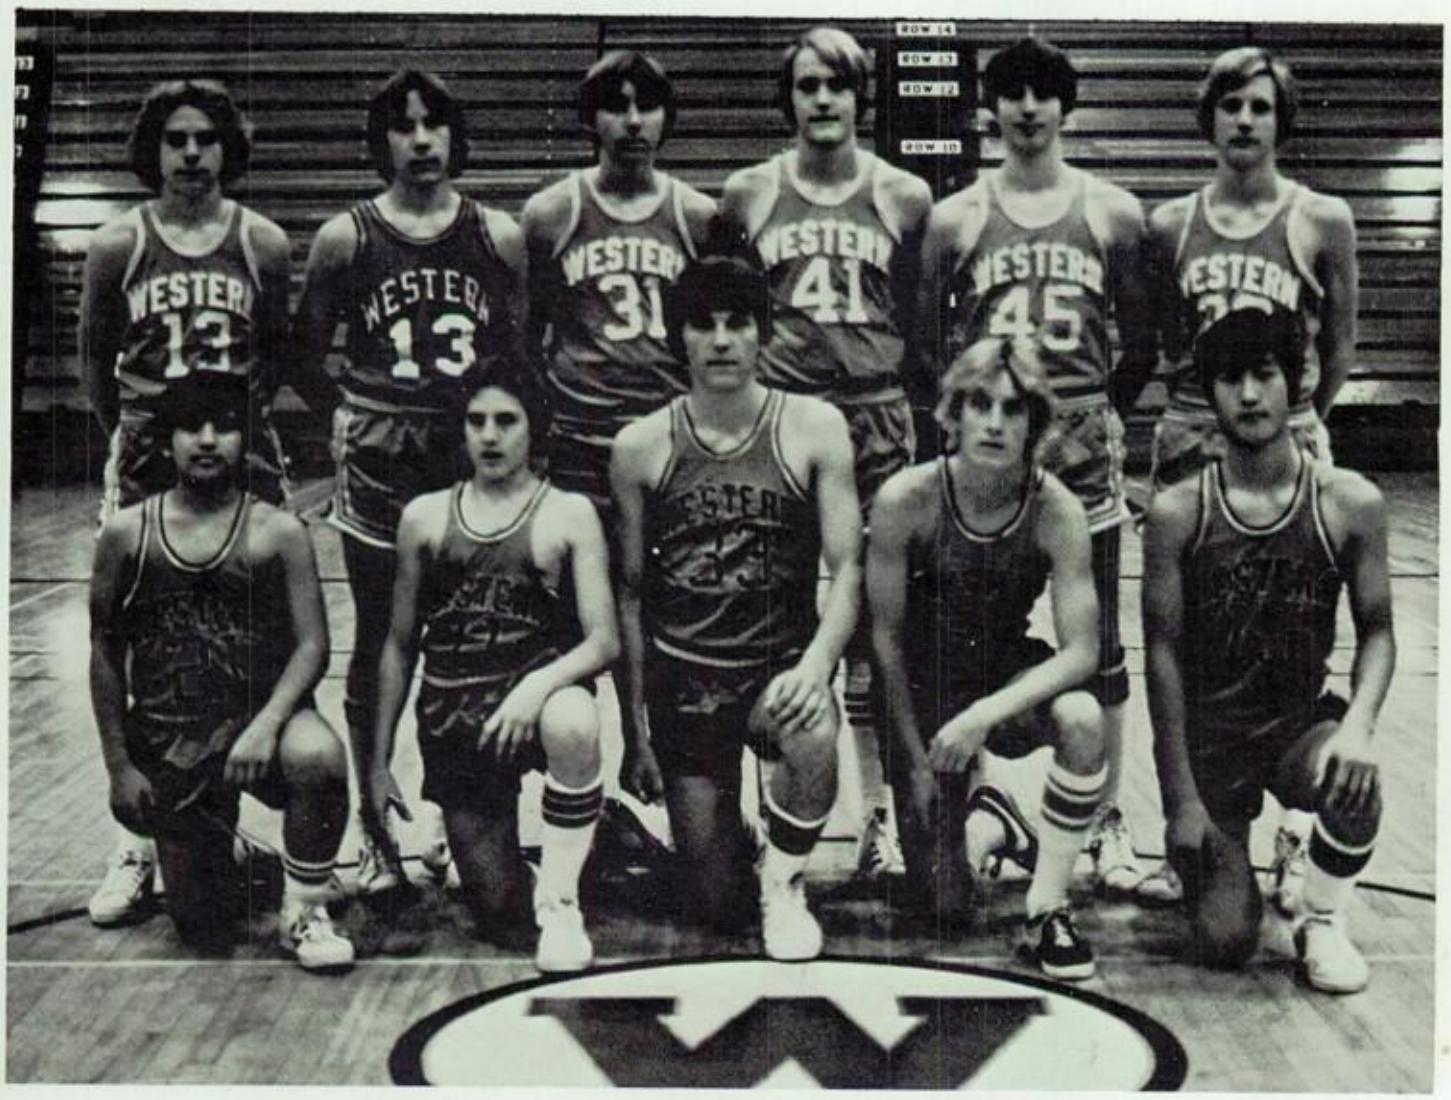
SOPHOMORES HAVE RESPECTABLE SEASON

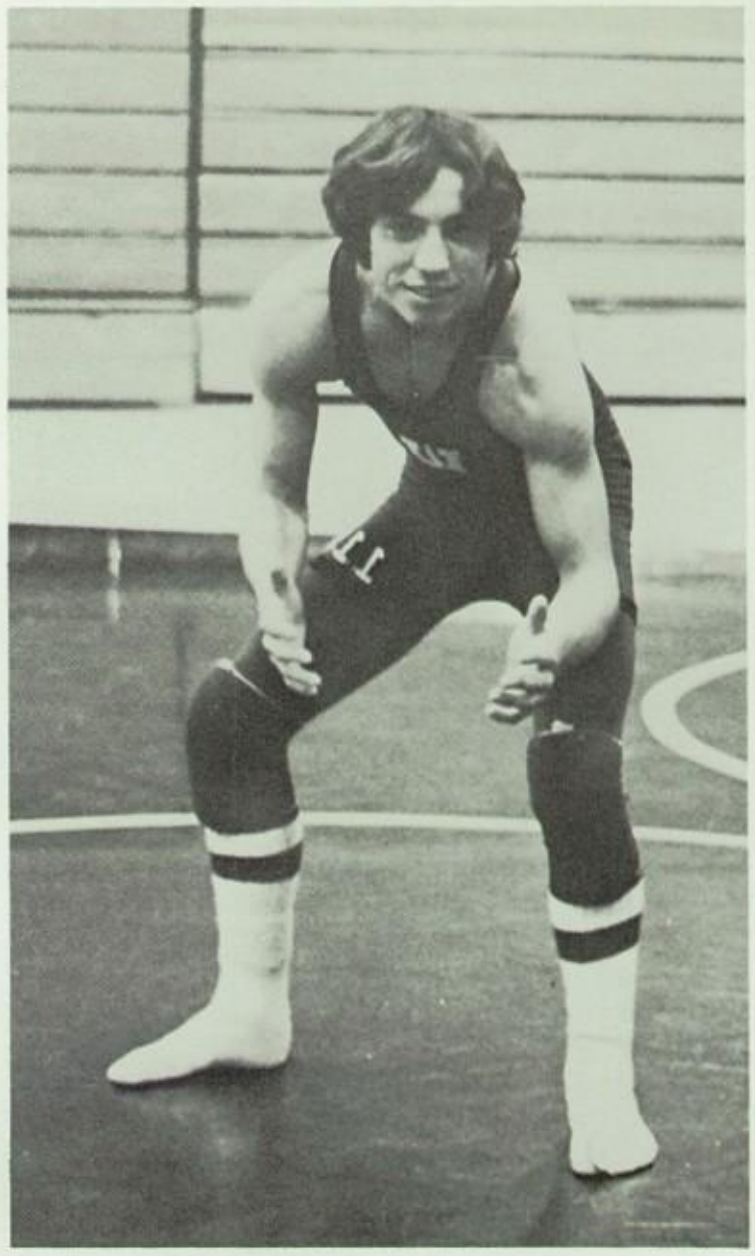
Fighting for rebound.

The sophomore basketball team's season record was 6-14. Leading the team was Jeff Jenkins, averaging 17.6 points per a game and leading assist man, Jack Thomas, with a 5.7 average, paced the team to a 47.6 point average. Other key players were Jeff Armstrong, Gary Twardowski, and Don Wise. They were all there grabbing at least 100 rebounds. The toughest loss this season was to Lowell in a triple over-time, which the Pioneers lost by two. Seven of the ten losses in the league were by less than four points. The sophomores ended the season on a good note, winning three out of the last four games.



Top Row Lto R: Mike Hopkins, Jack Thomas, Ron Chuchrek, Don Wise, Jeff Armstrong, Gary Twardowski; Bottom Row: Ken Cantos, Joe Gimondo, Dave Weitzel, Keith Peterson, Tai Chung.

TIM CHARACTER LEADS WESTERN TO A GOOD RECORD



Although the Pioneers failed in their quest for a league title, head coach Ron Crawford was quite satisfied with an 11-6 dual meet record.

Leading the squad throughout the year, was captain Tim Character, who was 28-0 in regular season. He highlighted his season with his second freeway league title at 115 pounds. Tim was the only pioneer to qualify for CIF, where he took a first place.

The other captain, Ed McCormick, and seniors Steve Ishi and Jim Glabb, made Western ever-dangerous, when they were on the mat. Jim Glabb, a first year Varsity wrestler placed third in the league.

Returning next year are Juniors Greg Montenegro, Mike Chico, Scott Hunter, Don Galler, Don Gonzales, Bobo Lewis, and Sophomores Glenn Hobsen, Ed White, and Rick Mendoza, who all did their share for the teams success.

SOCCER HAS ITS BEST YEAR YET

Coach Orloff contemplating game strategy.

You can never start playing soccer too early. The earlier the better. In Europe, Asia, Africa and South America the boys start kicking the ball at age two. They learn to walk and kick the ball simultaneously.

The sophomores of '76' who are seniors now on our varsity team had no such upbringing. Most of them learned about soccer here at Western. They've developed into good players and are looking forward to college.

With this lack of experience the varsity had a successful year of 5 wins, 7 losses and 2 ties.

Sergio Tovar proves that skill beats Mater Dei.

Captains for the "78" season were Tom Handlan and Manuel Jimenez, who also were standout performers on the Varsity team. "78" Junior Varsity players to look for in "79" will be Rick Slezak, Kent Moorlach, and Chris Evans.

One needs nourishment to play soccer — Tom Handlan munching out at halftime.

GIRLS EXCEL IN FIELD HOCKEY

The field hockey team, coached by Joanne Arrasmith, rapped up the season with 3-4-4 record.

Although their record does not indicate a winning season, it was a most eventful and successful year, despite a few complications with postponements due to excessive rain and the conflicting seasons of other sports.

And after going scoreless during the 1976-1977 season, the team came back to score a total of 15 goals against their opponents.

In addition to the outcome of the season, three of the team members were selected all-league players. They include: Pat Audette, Cindy Hamilton, and Annette Quintanna.

Left to Right TOP ROW: Annette Quintana, Liz Evans, Wendy Gillet, Diane Tinkham, Dorri Hawks, Sue Campbell, Cindy Hamilton, Mrs. Arrasmith. BOTTOM ROW: Pat Audette, Reyna Rosas, Leytha Durbin, Cindy Pompa.

Western's Swim Team had a very good year, considering the number of swimmers they had. Swimming six and seven thousand yards a day, plus lifting weights, helped a few individual swimmers in the District Meet. Pete Holtum received a medal in both the 50 and 100 yard freestyle event. Randy Edmunds picked up two medals, one in the 500 freestyle and the other in the 200 Individual - Medley. Sophomore Mark Birch earned two third place medals in his outstanding freestyle events. Divers Tony Pagan and Mike Meacham won a second and third place medal for Western. Western came close to winning a medal in the 200 Medley Relay after an outstanding effort by Bud Foster in the backstroke; Chris Hewson, breastroke; Lonnie Sumrally, butterfly; and Pete Holtum doing the freestyle. Good Luck next year!

BADMINTON

This year the Badminton team had six returning players. They were Felicia Oliver, Sandy Masuda, Dorothy Kishaba, Sharyl Meyer, Carla Jones, and Elaine Porras. These players plus Lisa Fiola, Debbie Diaz, Janet Smith, Lydia Hitsman and Kelly Macdonald are recognized as the best players of the year. Due to the spring delivery of the annual we were unable to give the scores of their matches. The Pioneers are expected to continue their winning record in '78.

Although short on swimmers, the 1978 Western G.I.S. Swimming team was anything but short on talent. Blessed with several outstanding individuals, such as Stephanie Sullivan, Pasty Stout, and Mary Ellen Cox, working together with a new swim coach, Mrs. Arrasmith, the G.I.S. Swim team put together a fine team. Due to spring delivery of the yearbook we could not give a record of their matches.

Coach Coffman

Western's "78" Varsity track team was made up of mostly juniors with a few additional seniors. They had little experience, but were willing to do their best. The team had little depth which kept them from earning many points in the Freeway League but it wasn't because of lack of enthusiasm among the athletes. The sophomore team competed in their meets to the best of their ability but lacked depth and the points they earned were on individual performances. The sophomores are expected to bolster the varsity team next year in all the events. The girls team did not have many participants but the athletes who competed showed excellent promise. Western's track program is basically in a rebuilding stage, but with the performance of this years team, Western track will be on the rise for years to come.

Competition and hard work meant a stronger team with great ability, to the Varsity Basketball Team. They sacrificed and worked hard to bring pride to Western while building their skill game after game.

Their dedication resulted in a 12-2 record which put them in second place in freeway league and into the C.I.F. playoffs.

For the first time in the history of Western High the G.I.S. program acquired a male coach for basketball. Martin McDermott, which his previous 17 years of experience in coaching, potential and skill, led the girls through the season with great expectations.

Starting for the varsity team were forward: Annette Quintana and Liz Evans; center: Diane Tinkham; and guards Pat Audette and Sue Campbell.

J.V. Team, Left to Right: Valerie Clark, Belinda Kerr, Margaret McDonald, Gail Delmarr, Marilyn Studd, Kirstie Marshall, Rosalie Garcia, Leytha Durbin, Cathy Gunnar.

Western's Pioneers are hoping to pick up where last years varsity team left off. The 1977 edition was given the "nod" as the most improved team in the big A Empire and finished strong with a 7-7 league record. Returning from last year are Jim Gage-catcher; Ron Fagan-shortstop; Jim Everett-first base; Rod Locke-centerfield. Three of the four were honorable mention all league.

The strong points of the squad appear to be attitude and defense. The baseball program is on the upswing with an outstanding turnout of sophomores, a young varsity pitching staff and a lot of enthusiasm.

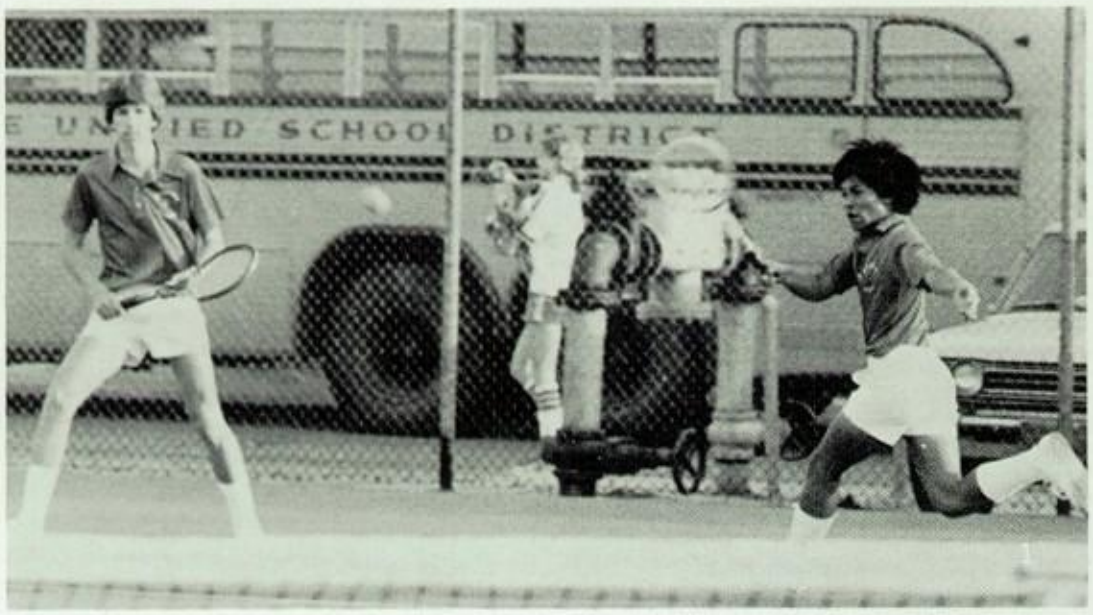
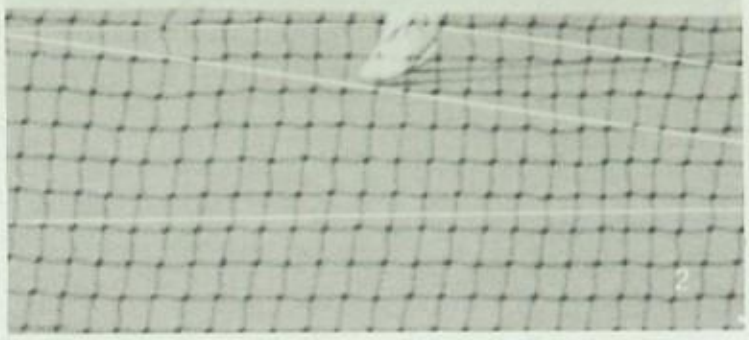
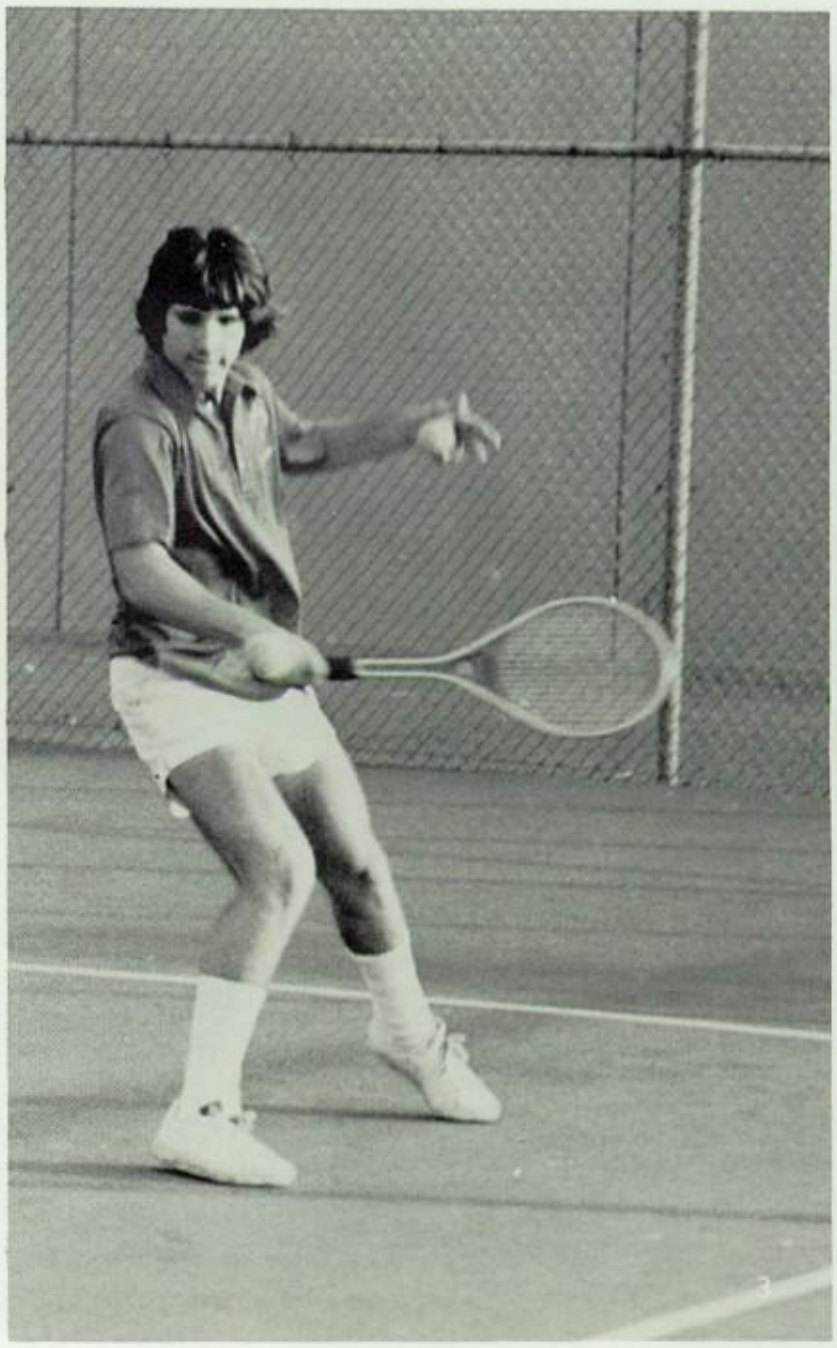
TENNIS TAKES A SWING AT IT







This years tennis team showed much skill and determination in the tough Freeway league, by beating teams Western was to have no chance against. But even then Western had many problems playing against Sunny Hills and Troy High schools, who are rated in the top ten in California. The team was led by Seniors Byron Pullen, Ron Peterman, and Lowell Beilman.

The team shows much promise for next year with three returning Juniors and many promising Sophomores.

1. The doubles team of Lowell Beilman and Kevin Cadabona shows much talent.
2. Mark Brunner shows concentration returning the ball.

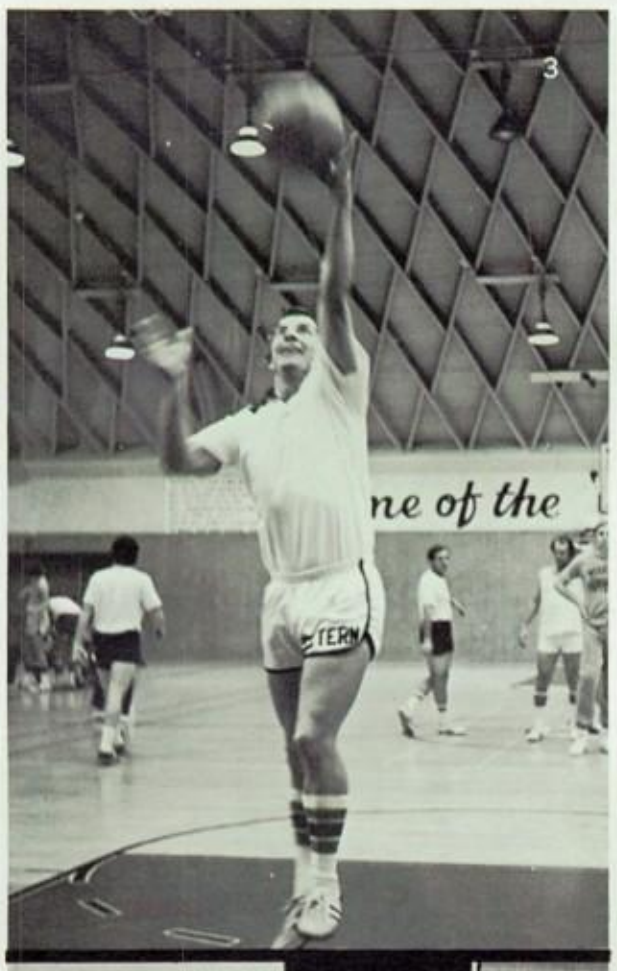
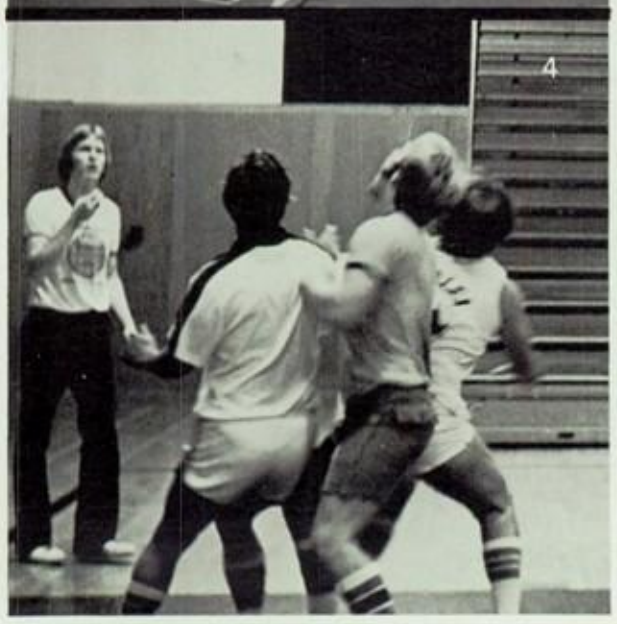
GOOD GUYS VS. BAD GUYS





On Thursday night March 2nd the faculty (Bad Guys) played against the Varsity (Good Guys). The Varsity Team was composed of athletes from various sports. The Faculty included various faculty members, including our principal, Mr. Verne Horton.

In spite of a spirited effort by the faculty, the varsity triumphed by a 59 to 56 score. It was the first Varsity Victory in nine years. Congratulations!

1. The Bad Guys.
2. Jump higher! Mr. Glascock and Ken Cregar.
3. Coach Pattison enjoying some pre-game practice.
4. Jim Gage fights for the coming rebound.
5. Our Heros, the Good Guys.

What can I say here? Our Yearbook has gone to the plant, and with a little luck it will be delivered in the spring. (At this time, we're not sure when the book will be delivered.) This is the first year in five years we have gotten our books on time. I hope!

When you look through the book, keep in mind that we had almost three months less to work on it than previous years. Of course, this automatically omits Senior Activities, Graduation, all late events and sports scores.

I want to thank the Staff, you're all great, if the book is good, it's your achievement. To next years staff, I hope you looked at my goofs and learned from them. Good Luck on the '79 book. While I'm thanking people, I'll add on Art Parent and Joe Clark, they gave us a hand with the photography when we really needed it. Again, Special Thanks to everyone who helped us.

I hope you enjoy the yearbook.

Good Luck to the whole class of '78 in whatever you choose to do after Graduation.

Mr. Ralph R. Rothrock, better known as simply "The Rock". He was advisor to the Pioneer Publications for 15 years. Under his supervision, Westhi put out some outstanding writers, and some very creative publications.

Mr. Rothrock is more than a teacher, he's a freind. Rock could always be counted on to come off with a joke or pun at just the right moment. He could also be counted on to give sound advice when asked. In 1977 when the Yearbook and Newspaper Staffs had the chance to go to a national Competition in San Francisco, Rock went to bat for us, and it was 'San Francisco Here We Come'.

A toast to you, Mr. Rothrock, may you stay as super as you are!

Pam,

I'm really glad I've gotten to know you as well as I have. You are like a sister to me and I hope it will remain that way forever. We have had many good times in the four short months that I've known you. Everything from the yar heads to the guy next door at the swimming pool. I think you are really lucky to have as many guys care about you as you do. You never know, maybe someday that will happen to me. (at the rate I'm going probably never!) Oh well, that's life! Stay as sweet as you are and you'll really go far!

Love

Julie
